*At this time, visiting more than one Park per day is temporarily unavailable due to attendance limitations. Depending on the date of your visit, the Park Hopper® Option may continue to be unavailable and you may only be able to visit one Park per day.

Park attendance will be managed through the Disney Park Pass system, which Guests will use to make Theme Park reservations. To enter a Walt Disney World Theme Park, both a Park reservation AND valid admission for the same Park on the same date are required for each person in your party ages 3 and up. A Park reservation must be made for each day of entry. For multi-day tickets (including the Military Promotional Ticket), you will be required to make a Park reservation for each date of your visit. To make your theme Park reservations, you will need a My Disney Experience account and valid theme Park admission linked to it.

Please note that reservations are limited, subject to availability and are not guaranteed until a reservation is finalized. We highly recommend that you make your Park reservation as soon as you complete your ticket purchase, as availability can change until the reservation is finalized.

Please check disneytraveltradeinfo.com/wdw for the latest information before your visit.

Valid military identification will be required.

No more than six (6) tickets may be purchased and activated by any Eligible Service Member and/or spouse (regardless of the place of purchase and whether purchased by that person or that person’s spouse). No Eligible Service Member (or spouse) may purchase promotional tickets at any military sales outlet if that person (or that person’s spouse) previously purchased promotional tickets (whether at the same military sales outlet or any other military sales outlet or any other place). In addition, one of the six (6) tickets purchased must be for use by the Eligible Member or his/her spouse. Dependent children traveling alone do not qualify. Each promotional ticket must be used by the same person on any and all days. Tickets may be used **ONLY** by the Eligible Service Member, spouse, other family members or friends for whom they were purchased. A valid military ID is required for purchase and use.
