

CORE PROGRAMS

School Transition

SL's support transitional issues affecting military connected students and assist in facilitating solutions

Deployment/Parental Absence Support

SL's provide families and school personnel with resources focused on parental absence, to include the cycle of deployment and academic, social and emotional impact.

Installation, School and Community

Communication

SL's are the installation subject matter expert to Commander/Commander staff/parents for all local Pre-K-12 education issues regarding military child education

Home School Support

SL's share information on home school issues, concerns, local policies, and regulations of state/local education agencies and connect home school families to their community

Community Relations, Partnerships and

Outreach

SL's create a network of parents, community partners, and military/civilian personnel to support the installation/community and school systems

Academic Planning and Post-Secondary Preparations

SL's leverage installation/school resources (e.g., Education and training flight) to provide graduating military students' access to post-secondary information and opportunities

Special Education Support

SL's connect families with appropriate resources needed to navigate school systems

Our Mission

Child & Youth Education Services (School Liaison) is committed to outreach, advocacy, and partnership initiatives that generate real-time solutions for military-connected students in grades Pre-Kindergarten through grade 12 as they face global educational challenges and transitions.
