Travel Trailer Orientation Course:

Prior to picking up your camper rental, you must complete our approved online courses on towing and camping with travel trailers and provide the certificates to be attached to your account. The courses take approximately 2 hours to complete. Course will be given at time of reservation.

Making a Reservation:

- You may make a reservation prior to completing the requirements for the travel trailer rental.
- Reservations may be made over the phone once you are in our system M-F 9 a.m.-5:30 p.m. If you have not used our rental facility, your first reservation will need to be made in person.
- Campers may be rented Memorial Day weekend through October. You may reserve up to 30 days in advance.
- Full payment is due at the time of reservation.
- We recommend having a full hookup camp site. Our campers are not designed for off grid camping (boondocking) resulting in some or all features of the camper not working properly. Generators are available for rent but will only power max. 1 appliance at a time.
- Campers must be rented for a minimum of 2 days.

Travel Trailer Cancellation Policy:

- Cancellations must be made 48 hours prior to your scheduled pick up to receive a full refund minus \$10 processing fee. No refund will be given for cancellations within 48 hours.
- Reservations covering a Federal Holiday **will not** receive a refund if canceled.

Renting the Travel Trailer:

- You must make an appointment to pick up your travel trailer. **Pick up appointments may be scheduled M-F 9:30 a.m.-3:30 p.m.**
- At your pickup appointment you will be given detailed instructions regarding your specific travel trailer and hitch set up; please plan for pickup to take 1 hour. If you are more than 15 minutes late for your appointment, it will need to be rescheduled.
- At your drop-off appointment a thorough inspection of the camper will be completed; please plan for drop-off to take 30 minutes.

Prepare for your Drop Off Appointment:

At drop off, one of our main concerns is that the trailer, black (sewage) and grey water, holding tanks are completely empty. The trailer will remain hitched to your vehicle until the black and grey holding tanks are inspected by PSFB ODR staff. Prior to returning the travel trailer to ODR, we encourage you to do a final black and grey flush at the PSFB Dump Station off Ent Ave at the RV Storage Lot. If this policy is not followed you may be subject to a \$200 cleaning/dumping fee. If you rented a pet friendly camper, ensure all pet hair is removed prior to drop off to avoid \$150 cleaning fee.
