Bus Stop changes for SY 22-23

Bus stop 1 will no longer be across the street from the Youth Center; instead it will be redirected to **HUT 1** on Selfridge/Otis Street (provide map). This change will provide students shelter during mornings or inclement weather while students wait for the bus.

Bus Stop 2 - which is **HUT 6** (McChord Street) directly in front of Tierra Vista Community Center

*D11 transportation is requesting that parents do not park along the street and wait for the bus as there is limited space along the road as this is also a safety issue for students.
