A park reservation must be made for each day of entry. For multi-day tickets (including the Military Promotional Ticket), you will be required to make a park reservation for each date of your visit. To make your theme park reservations, you will need a My Disney Experience account and valid theme park admission linked to it. Please note that reservations are limited, subject to availability and are not guaranteed until a reservation is finalized. We highly recommend that you make your park reservation as soon as you complete your ticket purchase, as availability can change until the reservation is finalized.
