Park attendance will be managed through the Disney Park Pass system, which Guests will use to make theme park reservations. To enter a Walt Disney World theme park, both a park reservation AND valid admission for the same park on the same date are required for each person in your party ages 3 and up. A park reservation must be made for each day of entry. For multi-day tickets (including the Military Promotional Ticket), you will be required to make a park reservation for each date of your visit. To make your theme park reservations, you will need a My Disney Experience account and valid theme park admission linked to it. Please note that reservations are limited, subject to availability and are not guaranteed until a reservation is finalized. We highly recommend that you make your park reservation as soon as you complete your ticket purchase, as availability can change until the reservation is finalized.

Please check disneytraveltradeinfo.com/wdw for the latest information before your visit.

Valid military identification will be required.

No more than six (6) tickets may be purchased and activated by any Eligible Service Member and/or spouse (regardless of the place of purchase and whether purchased by that person or that person’s spouse).

No Eligible Service Member (or spouse) may purchase promotional tickets at any military sales outlet if that person (or that person’s spouse) previously purchased promotional tickets (whether at the same military sales outlet or any other military sales outlet or any other place).

Tickets must be exchanged at the Main Entrance theme park windows before use. Eligible Service Member (or spouse) must be present with valid military ID card to conduct the exchange for the entire party.
