<p><b><u>Understand the Risk</u></b></p>	<p>Adventure sports include inherent risks to participants. Every effort is made to provide a safe and enjoyable experience, but the allure and excitement of adventure sports is due in part to the unpredictable nature of the activity. Various terrain, wildlife, weather, and other variables factor into this activity. Quality trips depend largely on the skill and personality of the guide. All of the guides are well trained and have First Aid &amp; CPR certifications and activity specific training. As a guest you do have certain responsibilities to uphold and ultimately it is up to you to decide what trip is best for you. If you have any questions or concerns, please address them with our staff before participating in any trip. No outfitter can guarantee your safety or that you will have an unintended accident. These accidents may result in a variety of injuries to include but not limited abrasions, lacerations, and contusions. We are not responsible for personal injury and/or lost or damaged items. We require that each participant takes the time to complete the "Release of Liability" form prior to your trip. Minors under the age of 18 are required to have a parent or legal guardian signature on their release form. It is important to the safety of all guests involved for you to be honest regarding conditions that may impact your ability to perform in strenuous physical activities. <b>Guides reserve the right to refuse service if we feel your safety or the safety of others will be compromised</b></p>
